The HPH Network of Taiwan and the WHO Collaborating Centre in Copenhagen present the

WHO Winter School 2009 Quality Management: Implementation of Health Promotion in Hospitals & Health Services

The WHO-HPH Schools are opportunities to learn about the implementation of health promotion in health care settings. They are also opportunities to get acquainted with the International Network of Health Promoting Hospitals & Health Services.

The WHO-HPH Winter School in Taipei City is open to all HPH Members as well as to other professionals interested in health. Together we will deal with the subjects of Patient-Centred Care, Evidence-Based Practice, Standards & Indicators, Organizational Change Strategies and Quality Management.
